O R D E R

The Court issued a writ of continuing garnishment to Maha Amircani and Amircani Law, LLC ("Garnishee"). Garnishee answered the writ, stating that Garnishee holds \$102,500.00 in personal injury settlement proceeds but denying that the funds are subject to garnishment. The Court ordered Garnishee to deposit \$65,135.30 of the settlement proceeds into the registry of the Court.¹ The Court also ordered Garnishee to file a notice providing the Court with the names and addresses of all persons and entities Garnishee claims to have an interest in the funds.

¹ In the answer to the writ of garnishment, Garnishee asserted that \$37,364.70 belongs to Garnishee as attorney's fees and expenses. The Government proposed permitting that amount be used as Garnishee sees fit, such as to satisfy attorney's fees, satisfy Defendant's medical expenses, or some combination of the two. Gov't's Resp. to Garnishee's Answer, ECF No. 312.

Garnishee paid the funds into the Court's registry and submitted the notice of interested parties on March 3, 2023. According to the notice of interested parties, the following entities may have a claim to the funds:
